REPORT

[To accompany H. Res. 126]

The Committee on Rules, having had under consideration House Resolution 126, by a nonrecord vote, report the same to the House with the recommendation that the resolution be adopted.

BRIEF SUMMARY OF PROVISIONS OF RESOLUTION

The resolution provides for the consideration of H.R. 1273, the “National Science Foundation Authorization Act of 1997” under an open rule. The rule provides one hour of general debate divided equally between the chairman and ranking minority member of the Committee on Science.

The rule makes in order the Committee on Science amendment in the nature of a substitute as an original bill for purpose of amendment, with each title being considered as read.

Members who have preprinted their amendments in the Record prior to their consideration will be given priority in recognition to offer their amendments if otherwise consistent with House rules. Finally, the rule provides for one motion to recommit, with or without instructions.
